

Tying the knot? Congratulations!

Share your special day by helping families in need.

Hamilton's Ronald McDonald House is a 'home away from home' for families of critically ill children being treated at McMaster Children's Hospital.

Many couples consider making a gift to Hamilton's Ronald McDonald House in lieu of traditional wedding favours. We would be happy to provide you with table tents, a letter of acknowledgement and/or cards which will thank your guests for sharing this special day with you, acknowledge that a donation has been made to Hamilton's Ronald McDonald House and give special meaning to your wedding day.

Your tax-deductible donation will help Ronald McDonald House give a sick child the one thing they really need – their family.

If you would like to support Ronald McDonald House as part of the celebration of your special day, please contact the House at (905) 521-9983 or info@rmhhamilton.ca

Materials provided will be personalized based on your individual needs.
